

VoteKansas Mobile Voter App

Instructions for Android Phones and Devices

SET UP

- Go to the Play Store and search “VoteKansas.”
- Download and install the VoteKansas app onto an Android device.

OPERATE

- Open the VoteKansas app.
- Enter your voter registration address.
- Select the search icon in the keyboard, then select “GO.”

TOP BAR OPTIONS

- “ⓘ” Description of the application, Terms of Use, and Privacy Policy
- “Ballot” Lists the offices and/or questions on the ballot
- “Where to Vote” Maps and directions to all sites, early voting sites, and assigned polling site
- “Details” State and local general information

VIEW BALLOT INFORMATION

- On the top bar, select “Ballot.”
- View the list of offices and/or questions on your ballot.
- Select any office to view the candidates for that office.
 - To go back, use the phone’s back button.
- Select any candidate to view political party, campaign website, phone, email, and social media channels, as available.
 - To go back, use the phone’s back button.
- To go back to the list of offices, use the phone’s back button.
- To go back to the home screen, select the Vote Kansas icon on the upper left of the screen, or use the phone’s back button.

FIND YOUR POLLING PLACE

- On the top bar, select “Where to Vote” to find a list of polling sites for your registered address (home).
- On the “Where to Vote” page, select “All Sites” to view the following options:
 - “All Sites” Both early voting sites and your assigned polling place
 - “Early Voting” Early voting sites
 - “Polling Sites” Your assigned polling place
- To view a map:
 - Selecting “MAP” on the upper right of the screen shows the location of your registered address.
 - Selecting the map link in the polling site list shows the location of the polling site.
 - Zoom out to view both your registered address and your polling site locations on one screen.
- On the “Where to Vote” page, select the polling site for which you would like directions.
- After selecting the polling place name, select where you want the directions to start, either from your entered address or from your current location. Then select “OK.”
- The screen shows four options: “Walk,” “Bike,” “Transit,” and “Drive.” Select your option of choice and follow the written instructions listed on the screen.
 - To view your route on a map, select “MAP” on the upper right of the screen.
 - For turn-by-turn audible directions, select “Open in Google Maps.”
 - To close a map and return to written instructions, use the phone’s back button.
 - To exit written instructions and return to the polling site list, use the phone’s back button.

SPANISH

- Those who have selected Spanish in their phone’s language settings will view Spanish in the VoteKansas app.
